

Merry Christmas

To Our Real American Hero,

That is what you are to us – a hero. The sacrifices you and your family have made on behalf of your fellow Americans is truly awe inspiring. Words fail to fully convey the gratefulness we feel knowing our country is safer because you have stepped forward to do the difficult work of defending our beloved America. Please know that you are constantly in our thoughts and prayers and that we will not forget or take for granted the efforts you and your fellow soldiers have made for the sake of liberty and freedom.

This package contains mere tokens of our appreciation, small items that might give moments of comfort in a place far from home. But please know that this package also contains pride, hope, gratitude, blessings, and love from Americans who care very much for you and all of our troops. Merry Christmas and may God bless and keep you in his care because you are

“Our Real American Hero.”

*May you have the gladness of Christmas, which is hope,
The spirit of Christmas, which is peace,
The heart of Christmas, which is love.*

*Blessings from Home
